

*Where Your Hope and Faith Will Be Restored*

## ARE YOU READY?

Welcome Back to Good News Church Services! We are very excited to announce we are re-opening our doors! Come join us for first service on **Saturday October 3<sup>rd</sup> at 5:00pm** at our headquarters, **505 State St. Des Plaines.**

Please familiarize yourself with the attached guidelines before attending service. Social distancing and masks are required while in the building. If you or anyone in your party is not feeling well or has a fever over 100 degrees, please watch services from home.

Despite all our efforts to be as safe as possible, gathering together again does carry an increased risk of transmitting COVID-19. Please see, fill out, and bring the attached waiver to your first service. **If you are at a higher risk as defined by the CDC “(65 or older, those with lung disease, heart conditions, obesity, diabetes, kidney or liver disease, or those that are immunocompromised)”, we ask that you would prayerfully consider continuing to worship with us online with the hopes and prayers that you can join us in person soon.**

For those who cannot attend in-person services, messages will still be available to watch online.

**When: Every Saturday @5pm starting October 3<sup>rd</sup>**

**Where: 505 State St. Des Plaines (Parking in rear)**

A link for directions along with google maps can also be found on the home page of our website. **[goodnewschristiancenter.com](http://goodnewschristiancenter.com)**

We can't wait to see you!
